Sitting high atop in Campus Woods, w/ walls of windows & skylights, you'll love the light, bright & airy feeling this home provides. Very functional open floorplan, great for daily life & entertaining. You'll notice the gleaming hardwood floors & vaulted ceiling upon entering. Slab granite, gas stove & stainless in the kitchen open to the eating nook & family room. Spacious master w/ sitting area complete with soaking tub, large walk in & perimeter lighting. Two fireplaces ? one gas, one wood burning. A huge, tucked away, bonus room provides so many options. Tons of interior storage space. Designer touches throughout. Easy to maintain play space in the back.
