This light filled & updated Cape Cod features a great-room floor plan of combined living room & dining room for a spacious living area. The kitchen is updated with an added center island for ample prep, counter & cupboard space. There is room here for a dinette set and there is a pantry at hand. The slider leads to a wrap-around deck (with a peek-a-boo Lake Washington view). The primary bedroom is large & comfortable w/room for a King bed, two nightstands walk-in closet and a reading area. There is a 3/4 bath adjacent. There are two more nice sized bedrooms served by a full bath. Off street parking for 2 cars tandem. All appliances are included.
