Cute as a button! One's sure to find this darling doll house easy to maintain without feeling as though you're on top of each other. Downstairs offers a great flow for entertaining plus two spacious bedrooms. One with a deck leading out to your new home office or craft room. Upstairs offers two more x-large bedrooms and a full bath. RV or business parking on the front side being that your outbuilding also has a front door. In the spring flowers and trees offer beauty & privacy to the front yard. Out back you will find a huge deck for those summer BBQ's, raised vegetable gardens, fruit trees, shed, established chicken coop and a ton of privacy from all angles.
