## Description

Modern Beauty, tucked away in a quiet secure cul-de-sac Equal parts architectural wonder and oasis of calm, this home is a precious sanctuary for the home owners. The home is laid out over two levels. On the ground floor are the living spaces, with study and library, located off the entrance hall. The open plan living area has been furnished with beautiful shades of colour that both blend and contrast with the gorgeous lush garden beyond. French doors open onto the garden creating a wonderful sense of inside-outside flow. The dining and kitchen area is a flexible space conducive to long lunches, while also encouraging spontaneous gatherings of a house full of guests. The upper floor comprises four luxurious en-suite bedrooms and a generously proportioned TV lounge with exposed rafters. All bedrooms have expansive garden views with American Shutters, providing shade and privacy, when needed. A beautiful terraced garden features meandering walkways edging a seasonal stream and magnificent large mature trees. The garden is a true delight! The back courtyard, off the kitchen is any cook's dream; vegetables and herbs grow in abundance and an enticing seating area for a morning coffee make this a favorite spot. Staff quarter's, a double garage and inverter are added features.
