## Description

"Mimosa" Sugar Cane Ridge No. 22 is a striking 4 bedroom, semi-detached villa with its own private pool. Designed on 2 main levels, the living area, kitchen and verandah take up the entire upper level with a modern open plan layout. The first of the four bedrooms is located on the landing with the other 3 bedrooms located downstairs. Mimosa offers unobstructed views of the golf course and out to the island's coastline. It boasts a light and expansive modern living space fitted with contemporary furnishings. The high vaulted ceilings and large windows flood the space with light and the island's fresh breezes. The main living area is located on the first floor of the villa with a fully equipped Miele Kitchen. This open plan living extends onto the covered balcony with additional dining space and elevated views of the surrounding resort. The master and 2 other bedrooms are located on the ground floor and enjoy views over the golf fields. The Master bedroom features a large king-sized bed and en-suite bathroom and has access out onto the terrace and pool through incredible French doors. The other 2 bedrooms share access to a bathroom and shower. The fourth bedroom is en-suite, located at the entry level and is fitted with a queen-sized bed. All of the bedrooms are air-conditioned with ceiling fans. This home is the perfect place to relax and enjoy the private and secure location while still being close to the beaches and many amenities on the west coast. This property for sale offers a great opportunity to invest in Barbados real estate.
