Are you looking for the backyard to entertain and the shop and garage space for your projects? Welcome home to this charming rambler in Renton. This home offers three bedrooms, two full bathrooms and an added half bathroom in the sizeable utility room. From the welcoming front porch to the outdoor oven, pool and deck out back. The kitchen offers plenty of cabinetry that feeds into the dining area and large living room. Don't miss the walk-in tub, air conditioning, RV parking and the location!
