Description

This home has been taken down to the studs and totally redone. Still some construction going on (interior pictures coming soon). See supplements for list of updates and features. One of the most desirable areas of St. Louis Park, 2 houses away from beautiful Minnehaha Creek. This historic old farm house is one of the oldest homes in record in SLP. Walking distance to Bunnies, local bakery and other near by stores. Large open areas full of windows, natural light & vaulted ceilings. Huge lot with fenced backyard, new outdoor patio, freshly painted inside and out. Very large parking. Beautiful kitchen and main level living.
