Description

Welcome to your charming new home in a secure gated neighborhood! This cozy residence features a side-entry garage that leads to a practical mudroom area and a convenient laundry room, making daily life a breeze. Step inside the living area, and you'll be greeted by waterproof vinyl wood flooring that not only looks fantastic but also stands up to the demands of everyday living. The heart of the home is an open concept design with a lovely brick archway gracefully dividing the living and dining areas, creating a welcoming and functional space. The living room is centered around a gas fireplace, adding warmth and character to the space. A nearby office with a window allows for natural light, providing a bright and inspiring spot for work or study. The built-in desk and upper cabinets maximize the functionality of this versatile space. The kitchen is both practical and stylish, featuring an eat-up island, stainless steel appliances, a buffet-style area perfect for a coffee bar or pantry, and gorgeous quartz countertops. The layout ensures a smooth flow, making it easy to entertain friends and family. Your primary suite is a retreat with a beautiful bathroom offering double vanities, a soaker tub with privacy window above, a separate shower, and a walk-in closet with built-ins for organization. Across the home is a shared full hall bath conveniently located between the two carpeted bedrooms. Step outside to a deep covered porch with a cedar beam accent and stamped concrete flooring, providing a relaxing space to enjoy the outdoors. The large fenced backyard offers privacy and room for outdoor activities, making it an ideal setting for leisure and entertainment. This home is the perfect blend of comfort and style. Enjoy the benefits of the gated community, including a community pool and pavilion. Don't miss the chance to make this your dream home!
