Luxurious modern home located in the quiet neighborhood of Westwood in charming West Seattle! Rooftop deck for panoramic views while entertaining or soaking up the sun. Gorgeous 4bd/3.5bth new construction home with tasteful intentional design flow throughout. Dual ensuite bedrooms on top floor. Local builder went all out on this one: reclaimed wood bar, hardwood floors, soothing colors, and high-end fixtures feature prominently in every room. Options abound with the downstairs flex room that opens out onto its own private deck overlooking the eco rain garden. Tucked back from the street your privacy is assured.
