Curl up by the fireplace in the colder months or stay cool with the Central AC in the hot summer. The large primary bedroom, conveniently located on the first floor, provides a private retreat with easy access to the main living areas. There you will find a luxurious full bathroom with an updated shower, plenty of natural light and a sizeable walk-in closet. Both the half bath downstairs and the full bathroom upstairs have been thoughtfully updated with new vanities, while the upstairs full bathroom also features a brand-new toilet and recessed lighting for a modern touch. A formal living room, dining room and mudroom with laundry round out the first floor. Upstairs you will find four good sized bedrooms and a common area.
