79 MISSION STREET

79 MISSION ST, MONTCLAIR, NJ 07042

Discover contemporary elegance in our exquisite multi-family townhomes. These front and back units redefine urban living with an open layout that seamlessly connects living, dining, and kitchen spaces. Oversized windows flood each room with natural light, creating a modern aesthetic. The warm wood kitchen features, quartz countertops & high-end appliances. Convenient 2nd fl laundry simplifies daily chores, while two spacious bedrooms on the 2nd fl are complemented by a luxurious main bath. The 3d fl primary suite boasts a custom walk-in closet & a spa-like bathroom with an extra-large glass-enclosed shower.

\$1,090,000

The high-ceiling basement offers versatile space for gym, office & family room. Enjoy a 2 car garage, parking for four cars & private green space for BBQs and outdoor entertaining. This owner-occupied and investment opportunity is conveniently located near NY Train/Bus, explore Montclair Downtown amenities, including trendy restaurants, boutiques and and cultural attractions.
