1204 E GAYLENE CIR

SANDY, UT 84094

All American Rambler with charm and character. Fresh paint, flooring and lighting plus many other details. Fabulous floorplan with an open feeling. Great all white kitchen with quartz slabs and subway tile accents. Granite baths with new hardware. Spacious living area on main plus a great family room down. Six bedrooms. Big laundry room with workspace. This house has an amazing large backyard with two patios, gardens, new plants and trees, and nice fencing. The mountain views are stunning. This is the ultimate cul-de-sac setting in a prime instant access location.
