Welcome to this nearly new end-unit townhome in Wendover Townes! This beautifully designed 3BR/2.5BA home features an open-concept layout with a spacious main-level master suite, luxury vinyl plank flooring, and a gourmet kitchen with granite countertops, stainless steel appliances, and a large center island. Upstairs, enjoy two additional bedrooms and a versatile 12×12 storage room, perfect for hobbies or a home office. The end-unit location offers added privacy and natural light, while modern features like a tankless water heater, upgraded insulation, and energy-efficient windows enhance comfort and savings.
