The open-concept kitchen has been fully equipped with high-end appliances and top-quality finishes, harmoniously integrating into the space to offer a first-class culinary experience. Additionally, this floor includes a guest toilet, providing greater convenience for residents and visitors. On the first floor, the master bedroom is located, featuring a spacious en-suite bathroom. This bedroom stands out for its size, brightness, and direct access to a private terrace from which spectacular sea views can be enjoyed. On this same floor, there are two additional bedrooms, both of excellent size, which share a second full bathroom. All rooms have been designed with a high level of detail, ensuring maximum comfort and functionality. The basement has been completely renovated and conditioned to provide an additional highly versatile space. It features a large living room, a fully equipped kitchen, and a multi-purpose room, currently set up as an independent studio. This level has direct access to the terrace, bringing in natural light and a greater sense of spaciousness, making it an ideal area for family gatherings, entertainment, or even as an independent apartment for guests or service staff.
