Seamlessly connected to the living room is an expansive, light-filled dining room which is directly across from a timeless kitchen featuring a massive butcher block island, custom cabinetry & a unique copper farmhouse sink, w/premium appliances including Viking refrigerator, and Fisher & Paykel double oven. There is a delightful sunroom in the back of the house that gives way to the beautiful garden, and an appealing half bath for added comfort & convenience. Both the dining room & sunroom are outfitted with Serena & Lily chandeliers, with a sound system installed throughout the first floor. Walk up the perfect, solid oak staircase w/Harlequin stained glass to the second floor which unfolds into 3 oversized bedrooms, with one bedroom being used as a roomy office, an oversized walk-in closet, 2 spacious baths w/impeccable design & a conveniently located LG washer/dryer. Head up to the 3rd floor which contains 2 large, sunny bedrooms that could also be used flexibly as creative, guest, or work spaces & a pristine bath with vintage reproduction elements. NYC views are visible from the 2nd & 3rd floors, & all 4 baths have been thoughtfully & tastefully renovated.

Finally, head down to the comfortable basement which includes a full bath w/tile & stone walk-in shower, lounge area, & an additional flex room, all artfully designed for maximum relaxation. Close to the Port Imperial & Lincoln Harbor Ferry, Light Rail, Bus & Easy Access to Lincoln Tunnel, Major Highways, & Local Airports. This Incredible Home is just Minutes to New York!
