This spacious 4-bedroom, 2-bathroom two-story home combines comfort, character, and outdoor living at its finest. The main living area features tile flooring and a stunning two-sided white brick fireplace that serves as the centerpiece, creating warmth and charm throughout the open layout. The kitchen offers abundant cabinet space and flows seamlessly into a formal dining area and a cozy sitting nook, perfect for casual meals or morning coffee. The large primary suite features ceramic tiles and a generous en suite bathroom complete with a soaking jet-tub and separate standing shower for ultimate relaxation.
