Two beautifully restored 1890 Victorian homes that share a lot are now available for purchase. Located in the booming East End, the community offers countless options for drinking, dining (including Michelin and James Beard options!) and entertainment. Additionally, a new premier international preschool has opened just three blocks away. These homes are filled with charming details including hardwood floors, shiplap, stained glass, and hardwood paneling while also including updated amenities. Home A features two charming and large bedrooms, along with two baths, as well as a finished loft space accessible by a beautiful circular staircase.

Home B features a large open concept of living space as well as a private den/flex space. A large bedroom and full bath round out the space. Both homes feature large porches, and the shared green space is perfect for entertaining. Whether you are looking for a multigenerational property, a live workspace or an Airbnb property the options are endless.
