Discover this beautifully updated 3-bed, 2-bath home featuring a wood-burning fireplace and a remodeled kitchen with white shaker cabinets, tile backsplash, and sleek quartz countertops. There is a spacious primary bedroom suite with a remodeled bathroom that offers a spa-like retreat. Take your coffee onto the screened patio and wake up watching the antics of numerous species of birds and butterflies. The large fenced backyard is perfect for nature lovers and anyone who loves to relax, play, and entertain. Additional upgrades include new windows throughout and a 2023 roof.

Garage Count: 2 Car Garage

\$450,000

With no HOA and within minutes of the beach, this home offers freedom and comfort in a tranquil setting and is truly a gem!
