\$1,800,000

A private study/bedroom with a full bath and a separate powder room complete the first floor, providing versatility for guests or home office use. The second level features four generously sized bedrooms, each with its own en-suite bath. The luxurious primary suite offers a serene retreat with exceptional space, walk-in closets, and a spa-inspired bathroom. The finished lower level is truly remarkable designed with a large recreation room, a private gym, and an additional bedroom with a full bath, creating the perfect space for extended living, wellness, and entertainment. This home provides an extraordinary amount of space for today's lifestyle needs, and there is still time to meet with the builder to personalize select finishes. Renderings, floor plans, and images are for illustration purposes only. Builder reserves the right to make changes.
