153-05 118TH AVENUE

153-05 118TH AVE, JAMAICA, NY 11434

Welcome to your dream home — completely rebuilt from the studs to the siding with craftsmanship that blends elegance and durability. This 4-bedroom, 3-bath masterpiece offers the perfect mix of modern comfort and timeless detail. Step inside to discover gleaming hardwood floors that flow through spacious living areas, accentuated by beautiful ironwork that carries gracefully from the exterior into the interior design - adding both charm and sophistication. The very large primary bedroom offers a true retreat, providing space and serenity for rest and relaxation. The home smartly takes advantage of a rear extension, adding even more living and entertainment space for all.

\$680,000

Outside, enjoy a brand-new back porch and freshly redone concrete yard - perfect for hosting barbecues, social gatherings, or simply relaxing outdoors. There's ample parking space for your car, plus plenty of street parking for guests. And as for the front of the house, the curb appeal is unmatched, featuring brand-new brick pavers and newly built front steps, giving the property a fresh, upscale look that sets the tone before you even walk in. Location is everything - and this home delivers. Just steps away from Baisley Pond Park, you'll love the easy access to scenic walking trails, sports areas, and nature escapes right in your neighborhood. Transportation is a breeze with the Q6 bus stop down the block, and within just 15 minutes on foot, you'll reach Q7, Q40, and Q115 routes. Plus, Sutphin Blvd is only a block away, putting grocery stores, dining, and everyday shopping right at your fingertips. This isn't just a home - it's a complete lifestyle upgrade. Modern renovations, prime location, and space to truly live and enjoy.
