JOHN D WOOD & CO.

London, Country & International Property

56

KNOWSLEY ROAD, LONDON, SW11

An extremely well presented four bedroom family house located in a popular position within "The Triangle". The property enjoys lovely natural light and the double reception room has been opened up which offers very good living space. The kitchen has been extended to the side from which there are bi-folding doors out onto a very generous rear garden, which unusually has incorporated a proportion of the neighbour's garden. The four bedrooms are all generous in size. Knowsley Road runs off Latchmere Road and is in an enclave of streets that carry no through traffic.

£1,225,000

Clapham Junction mainline station provides good train connections with bus routes found on Battersea Park Road and Battersea Bridge Road giving access to Chelsea, the West End and the City. Local shops and restaurants are on Battersea Park Road and the Latchmere Leisure Centre and Nuffield Health Club are close by. Reference BAT240068
