All rooms beach front in this completely and recently remodeled 3 bed/3.5 bath contemporary beach house nestled between a private road with loads of parking and one of the deepest, driest sections of sand in central Malibu. Exquisitely furnished with one eye on design and the other on function, this already large home of nearly 3,000 sq ft. (not including the 2 car direct access garage) feels much larger in size, scale and volume due to the high ceilings with tons of natural light flooding the wide open spaces coupled with the 3 decks visible through large glass door systems one of which is on the sand.

**Fireplace Count: 2 Fireplaces,
Cooling: Central A/C,
Sewer: Septic,
Special Program: Global Luxury**

\$8,950,000

Complete with spa, heat lamps and outdoor seating perfect for large group dining or lounging. Walk for miles down the beach, surf the point out front, enjoy tide pools at low tide or just relax in this beautiful home.
