20 PITTSFORD WAY

NEW PROVIDENCE, NJ 07974

This beautifully expanded custom home offers three full levels of comfortable, thoughtfully designed living space. With five bedrooms and three and a half baths, the layout feels open, welcoming, and perfectly suited for everyday living. Abundant natural light and warm hardwood floors throughout create an atmosphere of ease and comfort from the moment you arrive. A private foyer leads effortlessly into the formal living room, which flows into the family room and the updated eat-in kitchen, complete with a center island, stainless steel appliances, and an oversized pantry ideal for entertaining. Step outside to a deck overlooking a serene, park-like backyard, a lovely setting for relaxing.

**Garage Count: 2 Car Garage,
Fireplace Count: 3 Fireplaces,
Fireplace Description: Electric,
Sewer: Public,
Water: City Water**

\$1,150,000

The finished basement adds even more flexibility, offering space for a recreation room, ample storage, and direct access to the outdoors perfect for extended living or entertaining. With generous room for daily living, working from home, and hosting, along with a variety of thoughtful upgrades, this home offers exceptional versatility. Ideally located just steps from the Midtown Direct train, NYC bus, and elementary school, it provides the perfect balance of space, warmth, and everyday convenience.
