London, Country & International Property

28908 WIGHT RD

MALIBU, CA 90265

Plans approved - Ready to Build. This property is READY to pull permits and start building. Doug Burdge has designed yet another gorgeous contemporary home and taken it through the Malibu Building Department and it now has final stamped and approved plans. Owners have decided not to build for themselves and want to pass on these gorgeous plans and all approvals to new Buyers. Property offers Ocean views and close proximity to Point Dume, Kanan Dume Rd. and Zuma Beach. The beautifully designed 5,043 square foot home includes: Living room, dining room, kitchen, 4 bedrooms and 4 1/2 baths. Cul de sac street offers privacy and easy access. Plans are available to view in realtors office.

Sewer: Septic
