UPGRADES & LUXURY FEATURES

THROUGHOUT! Stunning pool home that has a classic living & family room layout giving you a fantastic place for your family to relax as well as entertain. Custom features have been added giving the main living areas a true Estate Living feel- entertainment wall w/ tv & electric fireplace, custom woodwork, designer grade light fixtures & fans, high-end contemporary hardware, cottage-chic French door front entry, custom shelving in laundry room, beautiful updated master bath, & so much more!

Garage Count: 2 Car Garage,
Pool Description: Pool

\$519,999

Single family design w/ spacious pool lanai, fenced-in backyard giving you a dog-run area & lots of privacy, split bedroom floor plan w/ master suite having private access to pool lanai, cathedral ceiling in family room, breakfast nook & breakfast bar, formal dining area, and gorgeous remodelled kitchen. You will love the outdoor living space that offers a large covered sitting area, service window from kitchen, half bath, and a custom built pool. The SE corridor of Cape Coral is highly sought out due to the easy access to the bridge leading into Fort Myers, close proximity to lots of shopping/dining options, and being just a short drive to the amazing beaches of SWFL!
