The versatile 5th bedroom/office is located on the 1st floor as well as a hand-painted powder room with crown moldings and a laundry room with sink. Upstairs you will find 4 large bedrooms with large closets (3 walk-in). The master bath has been wonderfully remodeled with two separate vanities, a Jacuzzi tub, walk-in shower and heat lamp. The beautifully landscaped property has a large deck that was partially replaced and repainted two years ago, new blacktop and new pavers on the sides of the driveway, walkway and front steps (2025). Terrific additional features include 2-zone heat and A/C (2025), underground sprinklers (2024), newer roof (2021), high hats in most rooms, hardwood under carpet, blinds, freshly painted bedrooms, corner property and side-facing garage. Perfectly located near Blue Ribbon schools, transportation, major highways and shopping, this exceptional home can be yours!
