2 PACIFIC ST, BOSTON, MA 02127

Introducing a Brand New single family brownstone off Thomas Park spanning over 4 levels of living, complete with off-site garage parking and private roof deck, blends classic architectural details with today's modern finishes. The main living level showcases custom crown molding, an original marble fireplace, a stunning chef's kitchen with white quartz counters, Thermador and Fisher and Paykel appliances, powder bath and an open layout ideal for entertaining. The primary suite level features a spacious bedroom with a second original marble fireplace, a spa-like bath, and large walk in closet. The top floor offers three additional bedrooms and a full bath.

Location: Ocean Front,
Garage Count: 1 Car Garage,
Sewer: Public,
Fireplace Count: 2 Fireplaces,
Cooling: Central A/C,
Heating Type: Forced Air

\$2,100,000

A versatile lower-level bonus room with wet bar is perfect for a family room, gym, or media space and and 5th bedroom with en-suite bath round out this thoughtfully designed home. Outside, enjoy a beautifully redesigned private patio highlighted by a mature magnolia tree, an inviting retreat in the heart of the city!
