Beautiful home on an oversized lot in a prime location! Conveniently located near the Medical Center and within walking distance to the library and park, this move-in ready property blends comfort, space, and flexibility. Freshly painted with thoughtful updates throughout, the home offers the added convenience of appliances already in place, making your move seamless. Bathroom updates bring a modern touch, while the functional layout provides comfortable living with three bedrooms and two bathrooms. An oversized garage with utility area plus additional covered carport parking ensures ample space for vehicles and storage.

Garage Count: 2 Car Garage,
Basement: None,
Garage Description: Garage

\$270,000

Situated on a generous nearly quarter-acre lot that backs to peaceful green space, the outdoor setting offers both privacy and a beautiful natural backdrop. Enjoy a spacious covered patio-perfect for morning coffee or evening gatherings-overlooking the private, fenced backyard. A standout feature is the conditioned Tuff Shed with portable HVAC, offering endless possibilities as a home office, craft room, workshop, fitness space, or climate-controlled storage. With no HOA, you'll enjoy the freedom to personalize your property to fit your lifestyle. This home combines location, updates, privacy, and versatility, a rare opportunity you won't want to miss.
