## CALLE TORREVIGÍA SELWO ESTEPONA

Discover a new contemporary-style residential development in Estepona, where modern architecture blends harmoniously with a privileged natural setting and high-end features. This exclusive project offers spacious 2- and 3-bedroom apartments designed with open-plan layouts, large windows, and sunny terraces, many of them boasting stunning views of the Mediterranean Sea or the surrounding greenery. Each home has been carefully designed to maximize natural light, space, and comfort, combining premium materials with elegant finishes to create a refined and welcoming living environment.

### **Garage**

**€652,000**

Residents enjoy exceptional communal areas designed for wellbeing and modern living, including swimming pools, landscaped gardens, a fully equipped gym, and a contemporary coworking space. Located in the prestigious Nueva Milla Dorada, the complex is perfectly positioned between the sea and the mountains, just minutes from the beach, Estepona's charming old town, and its lively marina. The area is surrounded by renowned golf courses, fine dining options, and excellent connections to Marbella, Puerto Banús, and Málaga. Its elevated setting ensures peace, privacy, and panoramic Mediterranean views, offering the perfect balance between tranquility and proximity to all essential services.
