All five bedrooms are generously sized, including Feng Shui"-inspired children's rooms featuring custom lofted spaces that create cozy nooks for reading, play, and sleepovers. A hidden playroom or lounge tucked behind the main living area adds a magical bonus space perfect for a media room, office, or retreat. The open living and entertaining areas are complemented by a distinctive custom bar, top-of-the-line appliances, custom flooring, built-ins, and exceptional closet space throughout.en's desirable uptown side, a quieter, more residential setting with zero flood risk, this home offers rare peace of mind along with extraordinary convenience. Three private garage parking spaces (an extreme rarity), dedicated bike storage, a private storage cage, and potential for a wine cellar in the basement complete this one-of-a-kind offering.
