CLONMORE STREET, SOUTHFIELDS,
LONDON, SW18

Set on the ever-popular Clonmore Street in the heart of the prized Southfields grid, this impressive and beautifully arranged family home extends to approximately 1,755 SQFT offering a versatile and generous living space across three floors. The ground floor provides excellent entertaining space, centred around a substantial reception room to the front, featuring a bright bay window and ample room for both seating and recreation. To the rear, a spacious kitchen/dining room spans the width of the property, creating a sociable heart of the home with direct access to the garden.

£1,500,000

A courtyard area sits between the two rooms, enhancing natural light and providing an additional private outdoor space. Upstairs, the first floor comprises three well-proportioned bedrooms, including a large principal bedroom, alongside a family bathroom. The second floor is dedicated to a further generous bedroom suite, additional storage within the eaves, and its own bathroom making it an ideal principal suite, guest space, or private retreat. Overall, the property offers a versatile and well-balanced layout, perfectly suited to modern family living, with a strong sense of space and natural light throughout. Situated in the heart of the highly sought-after Southfields Grid, Clonmore Street offers an ideal setting for a growing family looking to establish themselves in the area. Positioned on the west side of the road, the property benefits from excellent natural light, particularly in the garden. It is also conveniently located within a 10-minute walk of Southfields Underground Station, as well as the shops, cafés, and amenities of Southfields village. 4 Bedrooms, 2 Bathrooms, Double Reception, West Facing Garden, Cloakroom, Southfields Grid, Reference SFI260029
