CARMICHAEL MEWS, HEATHFIELD ROAD, WANDSWORTH, LONDON, SW18

A smart and well-presented two bedroom apartment in a charming period new-build development in the style of a traditional Victorian mews. The entrance leads through into a bright front reception and on to a well-equipped modern kitchen. In terms of accommodation, the property is arranged with a double bedroom, a single bedroom, office or nursery and a family bathroom. Further highlights of this well-located apartment, include a plethora of built-in storage options throughout, herringbone flooring and a private garage. Carmichael Mews is an established residential enclave tucked behind Wandsworth Common's "Toast Rack".

£475,000

The boutique restaurants, cafés and shops of Bellevue Road, Northcote Road and Trinity Road are close at hand. The green open spaces of Wandsworth Common are on the doorstep. While Wandsworth Common and Clapham Junction Stations are nearby for excellent frequent access to central London and beyond. The local schools are both plentiful and highly reputable.
