APARTMENT 18, 67

TUFTON STREET, WESTMINSTER,
LONDON, SW1P

stylish two-bedroom, two-bathroom apartment of approximately 1,100 sqft, set within the prestigious 67 Tufton Street, a historic building in the St John's conservation area, originally a Post Office and now transformed into one of Westminster's most distinctive luxury developments. Combining quintessential British charm with 21st-century living, the flat offers well-proportioned accommodation and has been finished with clear attention to detail throughout. Beyond the impressive proportions, the apartment has been enhanced with carefully selected bespoke finishes, including handcrafted designer OCHRE lighting, custom walnut joinery, and architectural woodwork throughout.

£1,500,000

The principal suite benefits from bespoke solid walnut and leather detailing, a walnut-fronted dressing system, and a luxurious en suite featuring an American walnut vanity with Emperador marble tops. The second bathroom continues the same attention to detail with bespoke Corian finishes. Residents benefit from Harrods concierge service and the option of underground parking (subject to availability), providing both convenience and security. Ideally located moments from the Palace of Westminster, St James's Park, and the River Thames, the property also enjoys excellent transport links and immediate access to the amenities of Westminster and Victoria.
