# 11287 BLUE FEATHER

SAN ANTONIO, TX 78254

Tucked away on an oversized lot backing to a greenbelt, this well maintained home offers space, privacy, and a functional layout designed for everyday living. The open concept design connects the kitchen and main living area, creating a practical space for gatherings or daily use. The home features modern finishes throughout, along with a dedicated office with wood flooring, providing a separate area for work or study. The main level includes a secondary bedroom and full bathroom, offering flexibility for guests or a variety of living arrangements.

**Garage Count: 2 Car Garage,**  
**Basement: None,**  
**Garage Description: Garage**

**\$399,000**

Upstairs, the primary suite is positioned alongside additional living space, with all remaining bedrooms, bathrooms, and the utility room thoughtfully located for convenience. Outdoor living includes an extended covered patio with a ceiling fan overlooking a fully fenced backyard with greenbelt views. The yard also features additional side space and a storage building that conveys. Additional improvements include a widened driveway, an owned water softener, and front yard enhancements with enriched topsoil. A well cared for home in a desirable setting, offering functionality, outdoor space, and a touch of Texas Hill Country character.
