Showings start Saturday 5/9. Experience a home that mirrors the pages of Southern Living, where sophisticated interiors transition seamlessly into a masterfully curated outdoor retreat. This 4-bedroom, 3-bath residence (plus flex room) offers the rare luxury of a first-floor primary suite combined with a backyard designed for ultimate relaxation. The Heart of the Home The sun-drenched kitchen is a culinary showpiece, boasting a massive social island, a wealth of custom cabinetry, and a gas range anchored by a statement designer vent hood. Whether you're prep-cooking for a garden party or enjoying a quiet brunch, the natural light and high-end finishes make this the home's true center.

Basement: None,

Garage Description: Garage

\$590,000

Main-Level Living & Versatility The thoughtful floor plan features a spacious primary suite, a second bedroom, and a dedicated flex room all on the first floor—providing unmatched convenience for a home office or guest wing. Upstairs, two additional bedrooms and a full bath offer a private haven for family or visitors. An Outdoor Masterpiece Step outside to discover your own private sanctuary. The screened-in porch offers a breezy escape from the afternoon sun, leading out to an expansive stone patio crowned by a custom pergola. Surrounded by mature, lush landscaping, the gardens feel like an established estate. Best of all, beauty is made effortless with a comprehensive watering system specifically designed to maintain the flower gardens and specimen trees. Even the storage is elevated! The garage comes fully equipped with shelving, making move-in a breeze and keeping your lifestyle organized from day one.
