\$625,000

Flexible Layout: Featuring a rare main-floor bedroom with a full bath, perfect for guests, a private home office, or versatile living arrangements. Sophisticated Finishes: 10-foot ceilings, detailed wainscoting, and large windows create a bright, airy atmosphere across the 2,600+ sq. ft. floor plan. Chef's Kitchen: Equipped with new stainless steel appliances (2024) and plenty of counter space for entertaining. The "Lifestyle" Garage: This is not your average garage. It features professional-grade epoxy flooring (2024), a dedicated Electric Vehicle (EV) charging station, and a bonus kitchenette with granite countertops--ideal for hobbyists, workshop enthusiasts, or ultimate organized storage. Expansion Potential: Because the lot is nearly 0.8 acres and mostly grassed with "few trees," there is significant room for additional activities such as a private pool, a large garden, or a playset without making the yard feel crowded. Major Upgrades & Exterior: Enjoy the massive, private backyard from your oversized deck.

Big-ticket maintenance is already done for you: HVAC System: New in 2024
Roof: Replaced in 2023 Kitchen Appliances: New in 2024 Hardwood Floors: New in 2025 Community: Located in a quiet, established neighborhood with a low HOA that includes access to a community pool, playground, and fishing pond. Minutes from downtown Fuquay-Varina's shopping, dining, and Bass Lake Park. This custom gem is priced to move! Schedule your private tour today.
