12 WILLIS DRIVE

12 WILLIS DR, CLOSTER, NJ 07624

Welcome to this beautifully maintained traditional split-level home nestled on a quiet, tree-lined street in desirable Closter. Offering 3 bedrooms and 1.5 renovated baths, this inviting residence combines timeless charm with thoughtful updates and exceptional outdoor living. The updated kitchen features a skylight that fills the space with natural light, creating a warm and airy atmosphere perfect for everyday living and entertaining. Renovated bathrooms add modern comfort and style throughout the home. A sun-drenched family room surrounded by windows provides the ideal place to relax while enjoying peaceful backyard views.

**Garage Count: 1 Car Garage,
Cooling: Central A/C**

\$975,000

Step outside to a fully fenced backyard oasis complete with a covered pergola and three separate patio areas, offering endless possibilities for outdoor dining, gatherings, and quiet enjoyment. A large driveway accommodates up to four cars, providing ample parking and added convenience. Ideally located near NYC transportation, top-rated schools, and Closter's vibrant downtown with shopping, dining, and community amenities, this home offers the perfect blend of suburban tranquility and everyday convenience.
