The cook's kitchen features custom cabinets, Carrera marble counters and large pantry. The dining area is highlighted by built in bench seating with storage and beautiful light fixture. Views of greenery from every window and no expense spared in the details! Notice the arched doorways, solid core doors and custom niches to display treasures. The oversized master suite features exposed concrete flooring, crown molding, a second custom fireplace, white washed brick accent wall and nice size closet with organizers. Large picture window overlooks the private garden patio. Remodeled spa-like bathroom features Carrera marble counters, a large shower with bench, rain shower head and travertine counters. The second spacious bedroom has large closet with custom designed organizers and crown moldings. It is adjacent to the guest bathroom, with custom cabinets and a large stone-floor shower with rain shower head. Other amenities include in-unit laundry hook-up, central air/heat, a sparkling pool, green space/gardens which is perfect for a dog run, two-car covered parking, and additional storage in the garage.
