A convenient powder room and pantry enhance the layout without compromising style. The gourmet kitchen is the heart of the home, showcasing an impressive 8-foot island, 42-inch cabinetry, quartz countertops, and a full suite of GE stainless steel appliances. The kitchen flows seamlessly to your private Trex deck, ideal for entertaining or relaxing outdoors, with the added benefit of a backyard that can be fenced for additional privacy. Upstairs, the primary suite offers a peaceful retreat with a walk-in closet and a spa-inspired bathroom featuring dual vanities, tile flooring, and a walk-in shower with a semi-frameless glass door. A spacious second bedroom, full hall bath, linen closet, and a conveniently located laundry area complete this level. All bedrooms are wired for ceiling fans for added comfort and flexibility. The top floor features a third bedroom perfect for a guest suite, home office, or private retreat, along with a deep storage closet for added versatility. The finished lower level expands your living space and opens to a second Trex deck, creating even more room for outdoor entertaining. Additional highlights include direct access to a 1-car garage wired and ready for an EV charger, extra storage, and a private driveway.

Located in the highly regarded Upper Merion School District, and just minutes from King of Prussia, Conshohocken, major commuter routes, shopping, dining, and recreation, Bridgeview Crossing delivers modern new-construction living, custom-builder quality, and exceptional convenience-all with no HOA fees.
