Don't miss this 4-bedroom, 3-bath home on a large 1/3 acre lot, offering a private setting with open space behind the property. The main level includes a formal entry and a flexible bedroom perfect for an office or guest room. The home features a spacious living and dining area, plus a kitchen that opens to a family room with fireplace. The primary suite offers a private retreat with an attached bath and walk-in closet. A large deck extends the living space outdoors and is ready for updates, offering a great opportunity to create your ideal outdoor space on this 15,000 sf lot. This home presents an excellent opportunity to add your personal touch.

Garage Count: 2 Car Garage,
