\$580,000

On the upper level you'll find two primary suites- one that offers a private, updated bathroom & walk-in closet and the 2nd featuring a large walk-in closet with a private vanity with sink and its own entrance to the updated full-size bathroom. There are 2 additional bedrooms located on the upper level. The basement features a large family room with built in shelves, an updated bathroom with laundry area (washer & dryer included) , and a utility room that provides ample storage space. Additionally, this home features newer roof, siding, and gutters (2024), new interior and exterior paint, new flooring on main & upper level (2025), new furnace & A/C (2021), new doors (2025), and a whole house attic fan. Front landscaping (2024). The fully fenced backyard offers ample room to relax, entertain, and allows kids to have plenty of room to play. Covered patio that has a gazebo with hot tub. The over-sized 2-car garage allows plenty of room for cars/toys/tools. There is plenty of RV parking & NO HOA. Conveniently located near parks, trails, restaurants, shopping (Southwest Plaza mall, Costco, Trader Joe's, Whole Foods, King Soopers) Easy access to Highway for commuting. A rare blend of updates, functionality, and character-this home truly has it all!
