\$865,000

The updated kitchen showcases granite countertops, stainless steel appliances, and opens directly to a spacious second-level deck built with premium Timber Tech Azek decking- perfect for entertaining. Hardwood floors run throughout the home, adding warmth and elegance. Enjoy a custom-designed two level outdoor living space with Techno-Bloc pavers, a covered patio with ceiling fans and a fire pit on the ground level, and a large upper deck offering seamless indoor-outdoor flow. Additional highlights include an EV charger in the garage, two large outdoor storage areas, and an abundance of storage throughout. Conveniently located near Routes 18 and 537 for easy access to shopping, dining and commuting and within Highly Rated Freehold Township School District.
