This stunning, 4 bedroom, move-in ready home will have you feeling prepared for any weather! GENERATOR included. (Please call Letti for info on solar panels.) NOT the typical "rectangle-shaped layout" like many homes. Enjoy the formal dining room area that's a separate room space from the kitchen & living room. Front office/flex room offers lots of potential. Sprinkler system. Gorgeous, vaulted ceilings invite you to a spacious, unique home. LARGE primary bedroom is on 1st floor & has a separate stand-up shower, large soaking tub & double sinks! You'll LOVE the GIANT closet, too! Great utility room located indoors on 1st floor for washer/dryer. NO BACK NEIGHBORS!
