Remodeled in 2023, this well-updated end-unit home offers a comfortable layout with a lot of thoughtful improvements throughout. It features all new Milgard windows, patio doors, and interior doors, along with fresh texture and paint on the walls and ceilings. The kitchen has been fully redone with quartz countertops, soft-close cabinets, an induction stove, built-in wall oven and microwave, and recessed lighting. The dining and kitchen areas also have added insulation for better comfort. New LVP flooring runs throughout the home, and the staircase has been upgraded with a wood-trimmed railing. Recessed lighting and ceiling fans have been added in every room.

The primary bathroom has a clean, spa-like feel with updated fixtures, a rain shower head, and marble pebble flooring. Guest bathrooms have also been remodeled. Each bedroom and the main living area include a Daikin mini-split system for heating and cooling, making it easy to stay comfortable year-round. As an end unit, the home only shares a garage wall with the neighboring unit, giving it more privacy and a single-family home feel. There's a good-sized front yard, backyard, and a balcony, plus fully fenced front and back patios that are great for relaxing or entertaining. The property also includes a two-car garage and an additional reserved parking space conveniently located right outside the front patio. Bedroom Bedroom Bedroom Full Bath Full Bath Half Bath
