The master suite is a private sanctuary, complete with a tray ceiling, gas fireplace, walk-in closet, and a European-inspired spa bath with a jacuzzi tub. Ascend to the fully finished third floor, a versatile studio space with a full bath"ideal for guests, a home office, or an artist's retreat. The finished basement offers a cozy guest suite with a fireplace, egress windows, and a walk-in closet, plus a dedicated laundry room and access to the two-car garage. Throughout, rich cherry hardwood floors, custom crown molding, and five-zone heating blend comfort with elegance. Set on a professionally landscaped lot, this home offers privacy and tranquility, yet is just moments from NYC transportation, fine dining, worship, and shopping. Security and sophistication meet"this isn't just a house, it's a legacy.
