291 FARAWAY ROAD

291 FARAWAY RD, SNOWMASS VILLAGE,
CO 81615

In the center of Snowmass village and the base of Faraway Road, this 4,261 SF Snowmass Village residence delivers a location that simply cannot be replicated -- a nearby walk to the Assay Hill lift, the town shuttle across the street, and easy access to every shop and restaurant the village offers, all with iconic Mt. Daly views as your backdrop. Completely reimaged in 2026, the home opens to a vaulted great room where a soaring arched window wall, exposed wood beams, and a massive, stacked stone fireplace set the tone. Massive flagstone patios blur the line between inside and out, while a cedar sauna, climatized cold plunge, and hot tub complete the outdoor experience.
