Nestled on a spacious lot in Jacksonville's desirable Southside area, this versatile home offers the flexibility of a 4-bedroom, 2-bath layout or a 3-bedroom plus flex room perfect for a home office, playroom, gym, or guest space. The home features several updates throughout, a huge attached garage, and a spacious backyard that will be separated with a new fence offering plenty of room for entertaining, pets, toys, or future possibilities. Conveniently located near shopping, dining, major highways, and just a short drive to the beaches. Best of all -- no HOA, giving you the freedom to truly make it your own.

Garage Count: 2 Car Garage
