\$699,000

The gorgeous kitchen serves as the heart of the home, featuring elegant quartz countertops, ample cabinetry including a pantry and a layout perfect for both everyday living or entertaining. Cozy up beside one of two fireplaces, offering inviting gathering spaces on both the main and lower level. Outside, enjoy the Colorado views from the primary suite's new spacious deck or hang out below on the patio within a private fenced in yard ideal for relaxing, entertaining, or letting children and pets play freely. The desirable location of this home offers the perfect balance of foothills tranquility and city convenience, with easy access to C-470, parks, trails, shopping, dining, and more!
