4814 MOUNT HELIX DR

LA MESA, CA 91941

Perched on nearly an acre atop the iconic Mount Helix hillside, this 3,044 sq ft, 4-bedroom, 3-bathroom retreat commands sweeping panoramic views of the San Diego mountains and valley - a rare offering in one of East County's most sought-after residential enclaves. Set on 0.83 acres (36,154 sq ft), the property's dramatic elevation and topography deliver unobstructed, ever-changing vistas visible from both interior living spaces and an expansive entertainer's deck. The main living area features walls of windows framing the mountain backdrop, creating a seamless indoor-outdoor experience that immediately distinguishes this home from anything at ground level.

The chef's kitchen has been thoughtfully appointed with granite countertops, custom white cabinetry, exposed wood beam ceilings, slate tile flooring, and a double wall oven - combining character with function in a space designed for serious entertaining. A gas cooktop and prep island add utility while the kitchen window frames a postcard view of the pool deck and surrounding hillside. Outdoor living is a true highlight: a private swimming pool is anchored within a river-rock-bordered patio, flanked by a generous wood deck built for year-round California living. The pavers driveway, 2-car garage, and gated entry provide both curb appeal and practical flexibility for multiple vehicles or recreational equipment. Built in 1968 and wonderfully updated, the home carries the architectural integrity and lot positioning offering genuine opportunity for a discerning buyer ready to layer in personal updates while enjoying Mt. Helix
