\$520,000

Featuring 3 spacious bedrooms, 2.5 bathrooms, a bonus bedroom in the basement, and an additional den off the main living area perfect for a home office or flex space. Major updates have already been taken care of for peace of mind, including an updated kitchen completed in 2022, a brand new roof installed in 2022, energy-efficient solar panels to help save on utility costs, a newer water heater, brand new sewer line, and a new bathtub backed by a lifetime warranty. The stunning stone exterior adds timeless curb appeal, while the impressively large backyard creates the perfect setting for entertaining, summer gatherings, pets, gardening, or simply enjoying outdoor space rarely found at this price point. Perfectly located just minutes from Linden Train Station with direct access into NYC, this home is a commuter's dream while still offering a suburban neighborhood feel. Shopping, dining, parks, and major highways are all within five minutes, with Warinanco Park just two blocks away, making everyday convenience effortless.
